"Relentlessly Strengthening Urban Education"

"Teams"

All of us work on a team. It may be a family team, a team at work, an athletic team, or even a social team. Working in groups is commonplace, but we are not always skilled at interacting in a way that leads to the best results. High-functioning teams have clarity of goals, understand why the goals are important, develop behavioral norms, stop unproductive talk, and allow for dissenting voices. You are part of the CUEM team. CUEM works to "relentlessly strengthen urban education" to ensure unrepresented and underserved students thrive with huge success. This work is very hard, but

we do it with great energy and passion. Continue to be part of our CUEM team - engage with our work, give to support our operations, and pray for our success.

-Dr. Steve Gerner, Executive Director/CEO

RECOGNITION

LITMAN'S LEARNERS

"Litman's Learners" are students who excel in an academic accomplishment or achieve a noteworthy act of behavior. These students (from 4th-12th grade) are selected from urban Lutheran schools across our nation, chosen by their teacher or school principal. The goal of "Litman's Learners" is to celebrate student success and encourage a mindset of scholars. Learn more about this award [here](#).

Our goal for Spring 2023 is to raise \$5,000 for Litman's Learners. If we raise \$5,000, then \$5,000 will be matched, giving us \$10,000 to award to students. Use credit card or paypal on our [website](#) OR send check to:

Reflections from Mel Keischnick

(CUEM Board Member, Emeritus)

On Christian Teachers: "...they are God's agents for the creation of a new way of life, a new beginning, a new ethos. It's the new ethos being shaped in response to the goodness of God. It's the ethos of the Sermon on the Mount, and this time the preacher is the teacher."
